MID-LENT CHECK UP

I am writing this on Day 19 of Lent. Now that we are at the half-way point of our 40 day journey, it's time to check in and see how we are doing with our Lenten disciplines. Some people give up something for Lent. Others take on something new or special for the season. For some people, Lent becomes an opportunity to practice "right living" – eat healthy foods and get more exercise – perhaps lose a few pounds. Whatever you chose to do this year, how is it going? Are you keeping up with your discipline? How is your discipline impacting your life?

As I prepared for Lent this year, I was particularly inspired by a prayer by Archbishop of Canterbury, Justin Welby. Here it is:

*Loving God, I commit this season of Lent to you
And ask you to show me what I need to turn away from,
And what I need to turn towards.
Shine your loving light in those dark parts of my hearts,
And bring new life, new hope and new possibilities.
Help me to walk more closely with Jesus,
To know that I am deeply loved,
And to share his love with others.
Amen.*

After praying this prayer, I chose two disciplines for Lent this year, one thing to give up and one thing to take on. I know from experience that it is wise to keep Lent simple and not stray too far from the ordinary. After all, Jesus walks with us every day, through all the ordinary parts of life. And part of the purpose of our Lenten disciplines is to see Jesus more clearly in our daily lives. So I chose to give up alcoholic beverages. At our house, that means drinking more hot tea. It is a gentle reminder of Lent. I also chose to try something new – doing yoga at home. I have been participating in the Monday evening yoga classes at church for over 2 years, but I had not tried it on my own at home. So I cleared some space in a spare bedroom and rolled out my yoga mat. Sometimes in the morning and sometimes in the evening, there I am. Here is what I have learned. 1) We have excellent yoga teachers at church and remembering how to do the postures is easier than I expected. 2) I pray more easily when I give my body something to do. 3) This (almost) daily practice is helping me feel stronger in body, mind and spirit.

So how are you doing? If you didn't really get started on Lent, or if it isn't going well, then it's not too late to give up something or take on something for the remaining days until Easter. Pray the prayer from Archbishop Welby. See how God directs you. And then walk with Jesus along the journey.

Finally, plan to make as many of the Holy Week services part of your Lenten journey as possible. The front cover of the newsletter gives you all the details of the services and times. If you have any questions, please feel free to ask me or any of the clergy.

My Lenten prayer for each of you is simply that you find a way to meet with Jesus each day. If your life is passing through a stormy season, then know that Jesus is there in the boat with you to bring peace. If your life has hit a dry spell, then know that Jesus is there in the desert with you to bring living water. I'd love to know more about how your Lenten disciplines have impacted you this year. Please call or email with your thoughts, ideas and prayers.

Blessings,

Rev. Pam

Prayer Shawl Ministry

The Holy Trinity Prayer Shawl Ministry meets on the 4th Tuesday of every month in the Library in Lewis Hall from 10:00am to Noon.

After the shawls are blessed in a church service, they are given to members of the parish, family members, or friends, either in the hospital, in nursing homes, or at home. If you can knit or crochet,

your talents are needed. However, if you have never knit or crocheted, we will teach you the basics. Materials are available in the church office. If you are unable to attend the monthly gathering, but like to knit or crochet, why not work on prayer shawls at home?

Don't know where to start? Check out the following website for easy patterns and suggested prayers to offer: www.shawlministry.com/tipsheet. Questions? Contact Beverly Lewis (777-1270).

Health Ministry Offers Programs at WCFN

Because the Moses Bible study will conclude the week before Holy Week, The Holy Trinity Health Ministry will be presenting mini health forums at Whole Church Family Night on May 1 and May 8. The programs will cover body, mind, and spirit. Topics we'll cover:

"The Body Is a Temple" will feature how to make nutritious meals for the empty nesters that don't require a daily cleanup. After cooking for a family for years, cooking for only two often seems like a daunting task, but it doesn't have to be.

"Mindgames" will feature little brain teasers designed to keep our memory sharp, improve focus. While we accomplish these two goals, we'll also have fun.

"And with Thy Spirit" will feature fun, easily performed exercises. One of the many benefits of regular exercise is the release of endorphins by the brain. When you exercise, your body releases chemicals called endorphins. These endorphins interact with the receptors in your brain that reduce your perception of pain. Endorphins also trigger a positive feeling in the body.

Please join us at Whole Church Family Night for this opportunity to learn, have fellowship, and lots of fun.

MAY 4/5, 2019: Spring Ingathering for UNITED THANK OFFERING

"Your Blessings Become Blessings for Others"

LIVES ARE CHANGED IN VERY REAL WAYS: United Thank Offering (UTO) is a ministry of The Episcopal Church for the mission of the whole church. Through United Thank Offering, men, women, and children nurture the habit of giving daily thanks to God. You are never too young or too old to count your

blessings and start a daily spiritual practice. These prayers of thanksgiving start when we recognize and name our many daily blessings. Give THANKS for the good things that happen every day, like sunshine for your family picnic. Give THANKS for the big things like recovery from serious illness. It's suggested that every time you think of something you're thankful for, you say a thankful prayer and drop money in your BLUE BOX. See the UTO Display in the Narthex on 27-28 April for further information. If you have any questions, feel free to call Judy Henderson at 321-327-3175. Please convert your coins into dollars or make a check payable to HOLY TRINITY... with a note "For UTO."

Thy Kingdom Come

*Ascension Day, May 30 through
the Day of Pentecost, June 9, 2019*

Thy Kingdom Come is a global prayer movement, which invites Christians around the world to pray between Ascension and Pentecost for more people to come to know Jesus Christ. The hope is that: people will commit to pray with God's world-wide family - as a church, individually or as a family and that people will be empowered through prayer by the Holy Spirit, finding new confidence to be witnesses for Jesus Christ. Look for more information to come.
