

Meet Our Featured Speaker:

Reverend Meghan Killingsworth

Rev. Meghan Killingsworth is co-pastor at First United Methodist Church of Sanford and guide team leader for Imagine Hub, a design-thinking inspired process for churches and clergy to missional innovate in their communities. After some years of work in the social services sector, Meghan felt called to ordained ministry with a special desire to see the people of God equipped to pursue justice and to be fully who God has called them to be in their neighborhood. Her passion is to bring different folks together and help empower the local church to be a change agent in the community for the sake of the Kingdom. Meghan loves being surprised by all the ways the Holy Spirit is already at work all around in our neighbors and in our world! She is married to David, the other Co-Pastor at First Sanford, and mama to Moses.
