## Healing Conference:

## **Will You Be Made Whole?**

**with Pastor Sharon Lewis**

**Friday, October 19 -  
Sunday, October 21, 2018**

**DISCOVER FOR YOURSELF:** Join us for Spirit-filled worship, large group teachings, and small group prayer with Pastor Sharon Lewis. Healing is more than relief of pain; it is transformation of the whole person. Come and experience the healing touch of Jesus, experience healing and wholeness for yourself, and learn to pray for others. The conference will begin on Friday evening, October 19 with a session for HTEC leadership. This session is closed to the public and general church membership. On Saturday, October 20 there will be healing prayer for everyone! The day begins at 10:00am, and concludes with a worship service at 5:00pm. Lunch will be provided (free-will offering). There is no fee to attend, but we ask that you register online at [holytrinitymelbourne.org](http://holytrinitymelbourne.org), or by filling out a brochure located in the Narthex and church office. The conference continues on Sunday, October 21 with In-Tents worship and the annual church picnic. The morning begins with special music at 9:00am, followed by worship under a tent on the school field. The Rev. Dr. Sharon Lewis will be preaching and praying for healing at this service! After worship and

Pastor Sharon is an ordained priest in the Episcopal Church, Diocese of SWFL. She served as the Rector of Church of the Holy Spirit in Osprey, FL for 15 years and is currently the Founder and Executive Director of Amazing Love Healing Ministry, a ministry of God's healing and reconciliation. She has worked in the healing ministry for 25+ years and is a chaplain for the Order of St. Luke. Her great desire is to see people set free in Christ!

communion in this open air setting, the Parish will celebrate its annual picnic in the Cub Café (the picnic shelter). Bring some food to share and join in the meal. The parish will provide meat and drinks.

## An Exciting Time

It is such an exciting time to be part of Holy Trinity Episcopal Church. The necessary permits for the revitalization work on the historic chapel have now been approved by the city. The demolition of the old porch and ramp took place on Saturday, September 15 along with prayers for groundbreaking to build the bell tower. Construction work on the bell tower and new porch and ramp should begin soon, along with replacing the air conditioning and electrical wiring in the chapel.

The process of purchasing the Brevard Rentals property continues according to plans and should be complete before the end of the year. There is much excitement about moving the Thrift Shop to its new location next to the church offices.

The month of October also brings great opportunities for prayer and fellowship here at Holy Trinity. The Ministry

Fair on the 13<sup>th</sup> and 14<sup>th</sup> will be a great opportunity to learn about ways to serve. The healing conference on the 20<sup>th</sup> will provide time for deep and powerful prayer. The picnic and worship in the tent will be a time for enthusiastic worship and enjoying time as

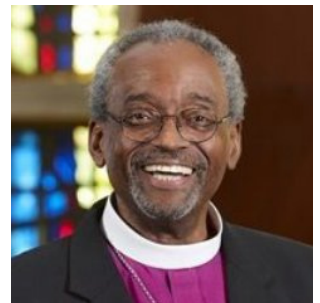

a church family. Our stewardship weekend on the 27<sup>th</sup> and 28<sup>th</sup> is a time to renew our commitments to support the church and its many ministries as we present our pledges at the altar.

Camp Wingmann is also entering an exciting phase with great plans. Please plan to come on Saturday, October 6 to hear more about how we can all help the Camp to be even better than ever.

Finally, please mark your calendar now for Friday, February 1. Our Presiding Bishop, Michael Curry, will be in Orlando for a Revival. Watch for more details to come!

Together let us all give thanks to God for such a great church family!

*Rev. Pam and Fr. Steve*

## The Holy Trinity Stewardship Campaign is Underway

This year's stewardship campaign will be highlighted by our ministry fair on the weekend of October 13 and 14. Please be sure to stop in before the Saturday service or between the 9:00 and 11:15am services on Sunday to have some snacks and learn about the different ministries that our congregation supports.

Saturday, October 13 is also the first delivery day for the stewardship packages. The packages include a letter from your vestry, a prayer card with a treat inside and a pledge card. If the drivers do not catch you at home,

they will leave the package on your door, so please look for it. Most drivers will be making stops on Saturday morning, but some may come later in the day or on Sunday.

We hope that you will prayerfully consider making or increasing your pledge for 2019. Your pledge helps the vestry to plan for the coming year and enables Holy Trinity to continue to spread the Gospel.

We invite you to bring your pledge card with you to church the weekend of October 27 and 28 to present your pledge at the altar during worship.

## OCTOBER 13 & 14

Join us in the gym and visit our ministries' tables and learn how you can connect, grow and serve at Holy Trinity! See you all there! If you'd like a table for your ministry, contact Sharon DuBois at 954--540-7697.

## Welcome Aaron & Thank You Megan!

We welcome Aaron Cain as our new Children's Ministry Assistant! Aaron began working with children while still in high school, volunteering in the nursery at church. He has worked with all age groups from toddlers to high schoolers. He has most recently been a volunteer with Holy Trinity's youth group. Aaron joined Holy Trinity in 2014. He brings much experience to this position and is looking forward to watching our children grow in their love of Christ and each other. Please join us in wishing Megan Paauwe well in her new position with Health First. We are so grateful for her service as Children's Ministry Assistant over the last year. Please share your gratitude when you see her around!

October 3<sup>rd</sup> begins a new Wednesday evening study entitled, *Making Your Case for Christ: An Action Plan for Sharing What You Believe and Why*. In this 6-week study, Lee Stroble, author of *The Case for Christ*, explores how to know what you believe and share your faith with confidence. *Making Your Case for Christ* is designed to help Christians, both young and old, understand and articulate the Gospel, the message of Jesus, and talk about their own stories of coming to know Jesus as their Savior. Ultimately, being able to express your beliefs will deepen your own spiritual well that you can draw from when you experience challenges in life. Questions? Contact Rev. Meghan Farr at 321-723-5272.

# Foyer **SUPER SUPPER**

**NOVEMBER 11 at 6pm!**  
**NEW FOYER GROUPS FORMING!**

Foyer is a French word which means a hearth or a warm place of welcome. Foyer Groups are a fun and easy way for parishioners to gather together on a regular but informal basis for purely social reasons. There are no programs, no projects, and no assigned topic of conversation. Just to enjoy one another's company, to strengthen bonds of community, to meet new members and simply get to know and love each other as part of our faith community here at Holy Trinity. Groups generally consist of 6 – 8 people who meet once a month for a meal and socializing as a small group. Each group is unique and decides the format that works best for them, which may include dinner at a restaurant, brunch after church, a picnic or a pork roast around the kitchen table. The kick-off starting our new season will be Sunday November 11 with the SUPER SUPPER. If you cannot attend the SUPER SUPPER – you may still sign up! Sign up in the Narthex or church office. Questions? Speak with Linda Edwards (208-670-3033).

**Friends at Lunch** is Holy Trinity's newest fellowship group. They meet the third Tuesday of every month at 12:30pm at local area restaurants. "We're kind of an offshoot of Keenagers, which ended this past March, but a little different," says group leader Nina Keck. "Keenagers had been for the over 50 set, and we've opened it to everyone." The group is a great way to meet people at Holy Trinity--especially if you're a new member. "What better way to bring people together than over a good meal--that you didn't have to cook? It's also a great way to reconnect with church friends who might not go to the same service anymore that you attend or that you only get to chat with briefly on Sunday. "For years June Golder and Marion Sargent have only been able to visit at Coffee Hour, and in August June came to Friends at Lunch, because she wanted to see more of Marion!" explains Nina. If you'd like to be part of the fun, please call Nina Keck at 321-723-7523.

## From Your Health Ministry

October is Breast Cancer Awareness Month, an annual campaign to raise awareness of breast cancer risks, the value of screening and early detection, and treatment options available to women and men who are diagnosed with one of the many forms of breast cancer. There is good news in the fight against breast cancer. Deaths from this disease continue to decline. Increased awareness and the potential of earlier detection through screening (such as annual mammograms) have resulted in improved management of the disease at its earliest and most treatable stage. Mammography has tremendous potential to save lives. Tell your mothers, sisters, daughters, and friends to schedule their annual mammograms today. If you're a woman of any age and are at high risk for developing breast cancer, talk to your doctor about when you should start genetic screening, mammograms and risk-reducing strategies, such as medications that may reduce your risk of developing breast cancer. Monthly breast self-exams are still a great weapon in the early detection of breast cancer.
